Agency: Department of Health – Washington State Board of Nursing

Subject of possible rule making: The Washington State Board of Nursing (board) is considering amendments to nursing education rules in response to Engrossed Second Substitute Senate Bill (E2SSB) 5582 (Chapter 126, Laws of 2023). The board is considering amending WAC 246-840-517, 246-840-534, and other related rule sections.

Statutes authorizing the agency to adopt rules on this subject: E2SSB 5582 (Chapter 126, Laws of 2023), RCW 18.79.010 and 18.79.110.

Reasons why rules on this subject may be needed and what they might accomplish: E2SSB 5582, Nurses—Educational Opportunities directs and authorizes the board, formally known as the Nursing Care Quality Assurance Commission, to adopt rules which allow for one hour of simulated learning to be counted as equivalent to two hours of clinical placement learning, with simulated learning accounting for up to a maximum of 50 percent of the required clinical hours (E2SSB 5582, Sec. 8).

The board is considering amendments to nursing education rules for registered nurses (RN) and licensed practical nurses (LPN). On May 12, 2023, the board moved to initiate the rule making process to fulfill the purposes of E2SSB 5582. Rules are necessary to comply with E2SSB 5582 and the rule making process will provide the opportunity for interested party engagement, rule clarification, and possible amendments to address any identified concerns.
